Supporting Background Information:

The Spectrum at Watkins Mill is a mixed use development located at the intersection of Watkins Mill Road and North Frederick Avenue. When complete, the development will feature over 600 apartments, restaurants and retail stores. The signature feature of the development is Performer's Park – an outdoor gathering space that includes a programmable splash fountain and a performance stage. Tours of the development project and light refreshments will be provided.

The event will take place at 230 Spectrum Avenue. The public is invited to attend, but we ask that attendees register in advance. Please contact Planning Division Chief Lauren Pruss by the close of business on Friday, July 26th at 301-258-6330.
